

Hygiene/Cleaning Operative

Contract: Seasonal Fixed Term Contract (April to August 2022)

Location: Aurivo Dairy Ingredients, Ballaghaderreen, Co. Roscommon

With a Turnover of nearly €200 million, Aurivo Dairy Ingredients is the largest business unit in the Aurivo group and is involved in the manufacture, sales and marketing of Butter and Enriched Milk Powders to customers in over 40 countries across the globe.

Reporting to the GMP & Compliance Manager, the successful candidate will be responsible for maintaining a high standard of hygiene in the facilities throughout the dairy processing plant. A key element of the role will involve working as part of a close-knit team to complete scheduled cleaning plans for the various areas within the dairy processing plant.

Key Responsibilities

- Cleaning of floors, walls, windows, stairways and walkways in the milk processing plant
- Sanitising of floors, walls, windows, stairways, walkways and floor drains in the milk processing plant
- Power washing of walls, floors and yards as necessary
- Disposal of waste materials from the milk processing plant
- Maintain a high standard of hygiene in the building facilities throughout the processing plant
- Completing scheduled cleaning plans per process area on a daily, weekly and monthly basis
- Maintaining records of cleaning completed
- Maintaining appropriate stock levels of cleaning equipment and cleaning agents per process area
- Informing site management of faulty equipment which creates hygiene problems

The ideal candidate will have

- Attention to detail to hygiene standards
- Flexibility in working duties and areas of work
- Proactive nature and ability to work on own initiative
- Strong communication skills
- Ability to work as part of a team
