Aurivo | Charity of the Year

APPLICATION FORM

The Aurivo Charity of the Year partnership was introduced in 2007 to support charity organisations, throughout our geographical region, who require much needed funds to ensure the continuation of essential services for worthy causes.

Aurivo has a strong corporate responsibility ethos. Our staff, members and customers unite to raise funds for our chosen charity every year. Our team of 650 employees and a network of 34 stores, production plants and Head Office all get involved in our Charity of the Year programme.

We host various fundraising initiatives that raise money for our chosen charity, including stationary bike cycles, 5km walks or runs, golf classics, raffles, coffee mornings etc. To support the fundraising initiatives of our staff, there are a number of materials that the charity can provide – collection boxes for store tills, information leaflets, t-shirts, balloons and any other charity merchandise used for fundraising initiatives.

Since we started our Charity of the Year initiative, Aurivo has donated over €660,000 to registered charities.
